

**SL** SKYLOFT  
 PENTHOUSE  
 SUITES

Located on the 64th and 65th floors, these Skylofts will be one of the tallest 2 storey suites in the city. Enhanced by generous 10 foot ceilings on both floors, intelligent layouts, sleek gourmet kitchens, gorgeous ensuites and superior finishes in a choice of colour palettes.

**This east facing two bedroom suite is so well laid out that it replaces your semi detached home in the city. Because every square foot has been used wisely, there's room for important features like two full closets in the master bedroom.**
